VACATION.COM ANNOUNCES LARGEST VACATION VIGNETTES SCHEDULE EVER FOR 2010

Exclusive program includes 160 departures featuring the services of a concierge host, a cocktail reception and up to five private shore events on extended voyages

Alexandria, VA (June 17, 2009) – Vacation.com®, North America’s leading travel services marketing organization, announces that its 2010 Vacation Vignettes schedule will be its largest ever, including 160 departures—38 percent more than 2009’s collection—on preferred cruise suppliers to destinations worldwide.

Vacation Vignettes are uniquely-packaged sailings offered only through Vacation.com member agencies. Each voyage includes the services of a concierge host, a “Bon Voyage” cocktail reception and a private shore event on itineraries from Holland America Line, Celebrity Cruises, Azamara Cruises, Regent Seven Seas Cruises, Crystal Cruises, Royal Caribbean International and Viking River Cruises.

“We are proud to provide our members with distinctive, value-added cruises that stand out to clients,” said Vacation.com President and CEO Steve Tracas. “These are truly exceptional packages their competitors cannot duplicate, giving our members a key advantage.”

The 2010 schedule differs from previous years due to a greater number of extended itineraries, which were requested by member agents. In response, the new schedule includes 19 voyages of 30-or-more days, such as a 30-night South America cruise with Regent Silver Seas and numerous world cruises with Holland America.

Typically a Vacation Vignettes departure features one exclusive shore excursion per voyage that is not offered to other passengers. Examples of past excursions include a St. Petersburg Canal Cruise and Vodka Tasting and a walking tour of Gaudi’s Barcelona. On 2010’s extended Vacation Vignettes departures, clients will receive as many as five exclusive shore events per sailing.

Vacation Vignettes falls under Vacation.com's Cruise Groups Plus banner, which includes Amenity Departure Dates, its amenity-enhanced group space program; and Pre & Post Cruise Solutions, which offers 13-15% commissions on private transfers, hotels and sightseeing tours at more than 40 of the world's most popular sea ports.

All Vacation Vignettes sailings are accompanied by a Vacation.com concierge host who is available throughout the entire trip to assist passengers. Whether helping to choose the perfect shore excursions for each port or recommending the best local shops, the Vacation.com Concierge Host will provide as much or as little assistance as each guest requires.

Vacation.com members can log into AgentNet to access all Cruise Group Plus programs. All other agencies should visit www.JoinVacation.com for more information.
